|       | DC-10BL                             | 10° narrow beam lenses kit for D-COLOR   | 794,00    |
|       | DC-COLOUR                           | Extra charge for white finishing (D-COLOR)   | 911,00    |
|       | DC CASE x 2                         | Flight case for n.2 D-COLOR  | 3.551,00  |
|       | AB-WB                               | Wall bracket for ARCHIBAR 50 and 150 to fix the unit on wall   | 282,00    |
|       | AB CASE x 4                         | Flight case for n.4 ARCHIBAR 150 or ARCHIBAR 250 (with wheels)   | 4.762,00  |
|       |                                     | Moving head spots  |           |
| 0601  | XS 700 Wash/C<br>Electronic Ballast | Powerful wash light spot with an optic system of incredible performances. CYM system, 7 colours wheel +white + 8 bicolours, colour filter conversion, oval light effect, blackout and strobe, electronic dimmer (combined with mechanical dimmer), electronic zoom. Electronic ballast with PFC 100-240V, 50-60Hz.                                     | 20.250,00 |
| 03061 | XS 1200<br>Electronic Ballast       | Professional motor spot with 2 rotating gobo wheels, 1 glass wheel, 2 color wheels, 2 conversion filters, 2 rotating prisms, 2 fixed frost, 1 progressive frost, electronic dimmer (combined with mechanic dimmer), iris, shutter/strobe, electronic focus, electronic zoom. Electronic ballast with PFC 100-240V, 50-60Hz. Suggested lamp HMI 1200W/S | 41.400,00 |
| 0306  | XS 700/B<br>Electronic Ballast      | Professional motor spot with 1 rotating gobo wheel, 1 fixed gobo wheel, 1 color wheel, 1 wheel with 3 glasses + 2 conversion filters. 1 wheel with 1 rotating prism, 1 fixed frost + 3 colors. Dimmer, iris, shutter/strobe, electronic focus, electronic zoom. Electronic ballast with PFC 100-240V, 50-60Hz.   | 34.650,00 |
| 0504  | SHARK 250/C<br>Electronic Ballast   | Motor spot with rotation of 540° on the horizontal and 270° on the vertical axis, 11 colours+11 bicolours+white, 7 rotating gobos (all interchangeable), rainbow effect, rotating prism, shutter, strobe, dimmer, correction filter, frost 13 DMX channels (16 bit). Electronic ballast with PFC 100-240V, 50-60Hz. Counterplate with fast lock        | 8.583,00  |
| 0602  | SHARK 150/C<br>Electronic Ballast   | Small moving light spot. Motorized focus. 16 bit Pan-Tilt. 6 colors + 6 bicolours + white, 4 rotating gobos, shutter, strobe, dimmer.  | 5.820,00  |
| 03072 | CS1 575W Halogen                    | Narrow beam moving head for halogen lamp.  | 7.407,00  |
| 03071 | CS1 575W                            | Narrow beam moving head.   | 8.524,00  |
| 0403* | CS4/C                               | Multi Par moving head (4 spots). Lamp ST 250W-28V  | 12.700,00 |
|       |                                     | Moving head spots accessories  |           |
| 98031 | LIGHT DEFLECTOR                     | Motorized mirror with standard bracket   | 3.733,00  |
|       | CLAMP/C                             | N.1 professional aluminium clamp (all fixtures)  | 147,00    |
|       | FL2                                 | Kit n.2 fast lock  | 141,00    |
| 0501  | CS1 DIMMER                          | Accessory mechanical dimmer for CS1 575 (art.03071)  | 2.763,00  |
| 0502  | CS1 COLOR SCROLLER                  | Accessory color scroller for CS1 575 (all models)  | 5.115,00  |
|       | CS4 BASE                            | Base for vertical installation of CS4  | 2.028,00  |
|       | CS4 TR-ADP                          | Couple of truss adaptor CS4 joint bracket. (Needed when using more than two pcs of CS4 assembled together with the art. CS4 JOINT BRACKET)   | 764,00    |
|       | CS4 joint bracket                   | Couple of Joint Bracket for CS4 installation   | 2.263,00  |
|       | XS CASE                             | Flight case for n.1 XS 1200 or XS 700-B (without wheels)   | 3.245,00  |
|       | XS x 2 CASE                         | Flight case for n.2 XS 1200 or XS 700-B (with wheels)  | 5.079,00  |
